Subject: Permission to take Students to Industry and Commerce Event at Hapania International Ground.

Respected Father,

I, would like to seek your kind permission to take a group of students to visit the Industry and Commerce event organized at Hapania International Ground on 05.02.2025 at 1.30 pm. This event will provide a valuable opportunity for students to gain practical insights into various industries, market trends, and entrepreneurial ventures.

The visit aims to:

- Enhance their understanding of industrial and commercial activities.
- Encourage interaction with professionals from different sectors.
- Inspire students towards career opportunities in industry and commerce.

We propose to take approximately 100 students from all the semesters under the supervision of all the faculty members from the Department of Commerce. We assure you that all necessary safety measures and guidelines will be strictly followed during the visit. I would also request you to provide us with 2 buses for easy communication.

We kindly request your approval for this educational trip. Your support in this regard would greatly benefit the students' academic and career development. Looking forward to your positive response.

Thank you for your time and consideration.

Yours sincerely,
Samir Bhowmik

A Report on Educational Tour to 35th Industry & Commerce fair, Agartala

Tripura Date: 05.02.2025

Introduction:

On 5th February 2024, a group of 30 students from the Department of Commerce visited the 35th Industry & Commerce Fair held in Agartala, Tripura. The visit aimed to provide students with exposure to industrial trends, market dynamics, and business innovations. This event was a significant opportunity for students to interact with industry leaders and explore potential career and internship opportunities.

Experience at the Fair:

The fair showcased a wide array of industries, including manufacturing, handicrafts, and agro-based enterprises. Various stalls represented both national and local businesses, offering insights into the latest advancements and emerging trends in commerce and industry. Students had the opportunity to witness real-world applications of their academic learning and engage in meaningful discussions with industry professionals.

Interaction with Industry Leaders:

One of the highlights of the visit was the interaction with industry leaders and business experts who shared valuable insights into the current industrial landscape. The discussions revolved around entrepreneurship, technological advancements, and industry expectations from fresh graduates. This interaction enabled students to understand the skills and competencies required to excel in the corporate world.

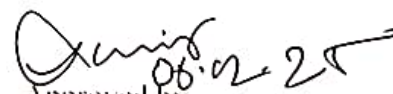

Meeting with TFDPC Officials:

During the visit, Teachers and students also engaged in a productive discussion with the officials from Tripura Forest Development & Plantation Corporation Ltd. (TFDPC). The meeting focused on exploring industrial visit opportunities for our students. The TFDPC officials expressed their willingness to collaborate with our institution and agreed to facilitate industrial visit for students, providing them with hands-on experience in forest-based industries, sustainable development, and resource management.

Conclusion:

The visit to the 35th Industry & Commerce Fair was an enriching experience for students, broadening their perspectives on industry operations and business dynamics. The interaction with industry leaders provided valuable career guidance, while the discussion with TFDPC officials opened doors for practical experience. This visit has undoubtedly strengthened the bridge between academia and industry, fostering future collaboration and skill development opportunities for students.
