Sharply at 1:30 all the students along with the teachers went to sipaipara village and lembuchera RD block and planted Tulsi, Guava, Mango, Neem and garden croton saplings in the neighbourhood. The plants were planted inside some of the homes in shipaipara village and the shipai para lefunga AMC campus building. A sapling was also handed over to the village representative Mrs Sukhini Debbarma. All the students were extremely thrilled even though we were exhausted by staunch heat.

Lastly we were also provided with some refreshments which included a sandwich and a drink which literally became a tonic to our exhausted body.

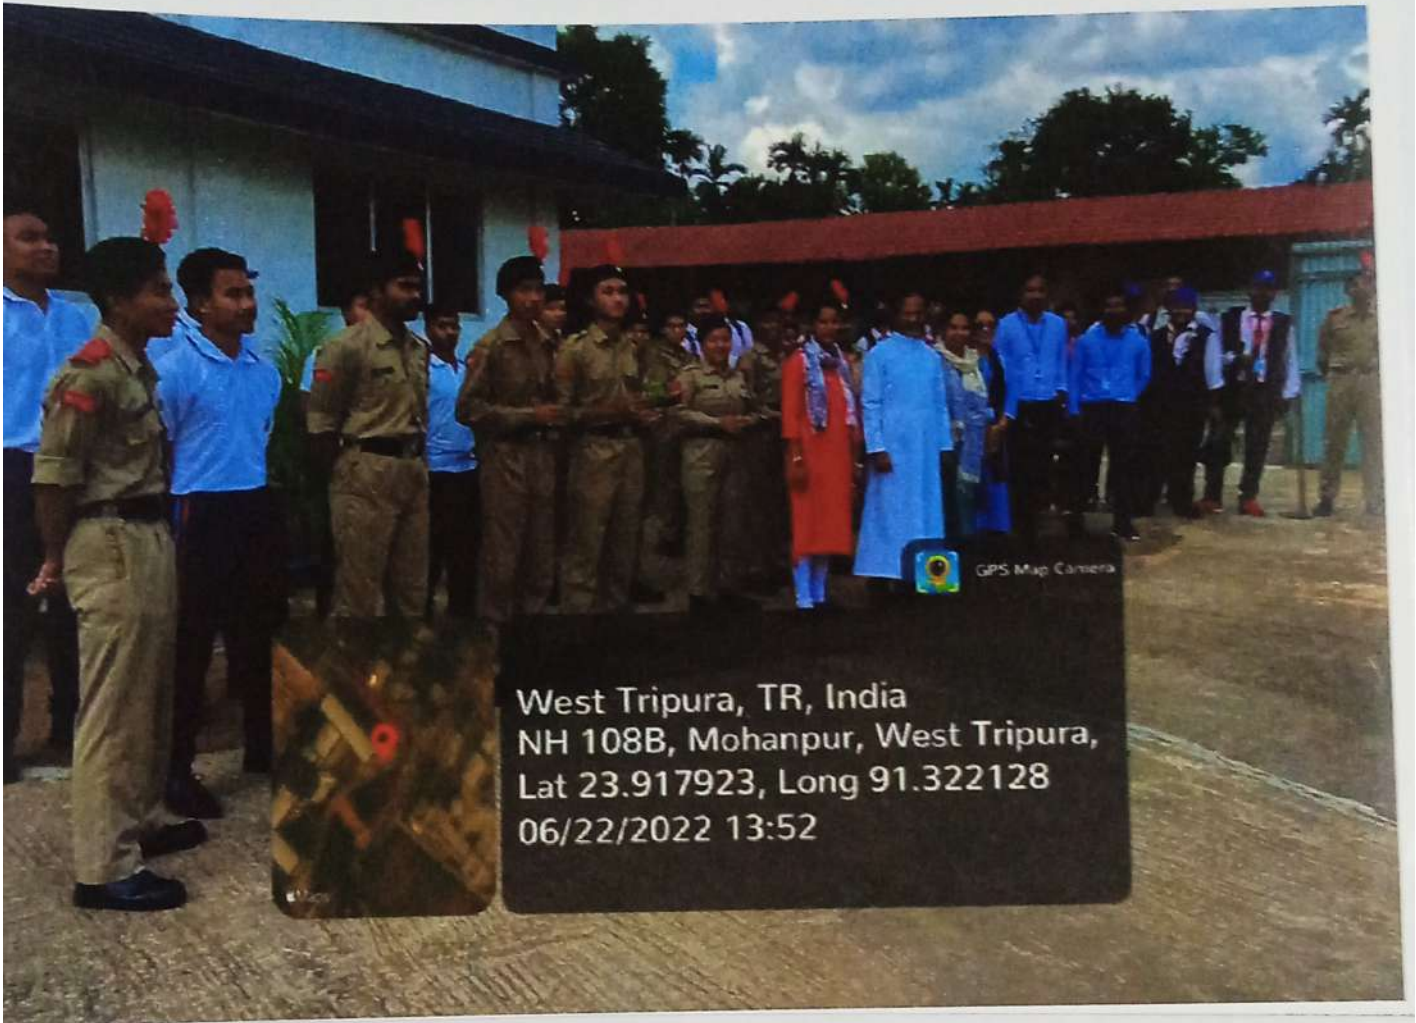

The entire programme was concluded successfully and we enjoyed it to the very end.
