Subject: Conduct of B.Ed Practice-Teaching Examination

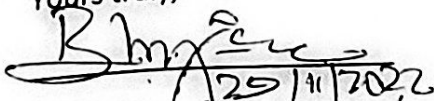

Respected Sir,

This is to bring to your kind attention a slight change in the location of examination due to unavoidable circumstances. Ten students of Teacher Education were having their practice teaching in Holy Cross School, Agartala. Today, Nov. 29, 2022, the students are having their last examination of the academic year. The principal of the school informed me that the school is having its winter recess starting from tomorrow, 30th November. The practice teaching examination was fixed for 5th December 2022 for which the students will not be present in the school on that day due to the winter recess. So, we are proposing to have the examination in another Higher Secondary School run by Holy Cross Educational Foundation, St. Andre Higher Secondary School, situated near Kamalghat. We discussed the situation with Mr. Gouranga Datta, the external examiner appointed by the University and he has consented to the proposal as valid and viable.

May I request your kind consent and approval of the same for the smooth and effective conduct of the examination on time.

Thanking you in anticipation, I remain.

Yours truly,

Principal
Holy Cross College, Agartala.
