

## Language Lab Report

As a part and parcel of the Capacity Building and Skill Enhancement Program, the Language Lab of Holy Cross College, Agartala, has started working for upliftment of students' linguistic and personality development since 01.12.22. The language lab is an air-tight AC room equipped with 25 PCs, one central speaker, microphone, 25 headphones and most essentially language learning application. In this program, students are provided one PC each for a routine-period on daily basis. The installed language learning program contains 8 levels of learning. In each level of learning some 8 models are there, while within each model there are several video classes. The video class includes subtitles so that students can listen to and see the subjects of communication. It also includes MCQ type exercises for students' self-evaluation of their understanding proficiency.

Throughout the semesters, students of all departments are provided language lab sessions. Since the beginning the plenty of interested students are benefitted by this language lab. A total no. of 212 students have attended and are benefitted by the lab till date. The followings are the records of students' attendance in the class so long:
