Dear Sir,

Awareness Session on Career Opportunities in RBI

As you are aware, Reserve Bank of India recruits potential candidates from the general population every year for career opportunities in RBI. Given the rapid developments in the banking sector including Central Bank Digital Currency, financial inclusion and FinTech among others, it is vitally important to attract highly qualified candidates from Colleges/Universities. Concurrently, it is also important to recruit more women to the organization so as to improve the gender diversity in the bank. Students of your University, which is one of the premier institutes in Tripura, has a vital role to play in this regard.

2. In this connection, RBI Agartala proposes to conduct an awareness session on opportunities in RBI with female students of your college. You are requested to confirm the date and time and to arrange for participation of around 70-80 women students for this session. We thank you for your cooperation in this regard and hope we can conduct more such programmes in the near future.

Yours faithfully,

Argha Banerjee

Manager
