

## Report of internship in Tripura Commission for Women – Group B

The Department of Political Science in collaboration with the 'Tripura Commission For Women' has organized an internship for the students of the political science department. The internship was of 14 days. The interns were divided into two Groups (A, B). Each group had one week of training. Group B's internship started on 12th October 2023.

On each day of Internship we were given an opportunity to attend and observe the counselling sessions of the cases at which we were briefed by the members of the Commission-

Smt. Asmita Banik , vice chair person  
Smt. Daliya singha, Member  
Smt. Mousumi Das, Member  
Sri. Madhab Paul , Tcs Gr -II , Member Secretary.

During our internship we came to know how the commission initiates various steps to protect the rights and interests of women, work for their empowerment and provide a voice for their issues and concern .

The work experience we encountered during the internship gained us lots of newfound knowledge regarding women's rights, their concerns and better understanding of the work which happens on the commission.

But most importantly we gained a sense of professionalism and a clear view of what it meant to be in a professional world.

We concluded our internship on 20/10/2023  
The overall Experience was positive, And everything we Learned was useful for our future career in this field( political science) .
