### Report on Inter College Photography and Reel making competition

The IT Club and Photography Club of Holy Cross College, Agartala, jointly organized an Inter-College Photography and Reel Making Competition under the banner of **Tejas 11.0**, the annual function of Holy Cross College. The competition aimed to provide a platform for students across Tripura to showcase their creativity and talent in capturing the essence of college life through photography and reel making.

Participants were tasked with encapsulating the multifaceted tapestry of college experiences. The theme, "**Snap Your College Life**" served as a canvas for students to paint their memories, friendships, challenges, and cherished moments in vivid details. In adherence to technical specifications, entries were required to maintain a resolution of 1920x1080 or higher, with a landscape orientation facilitating optimal storytelling. Both photographs (in JPEG format) and videos (in MP4 format) were accepted mediums, offering participants flexibility in their creative expression. The submission deadline, set for May 6, 2024, provided ample time for participants to craft their visual narratives with precision and finesse.

In conclusion, the Inter-College Photography and Reel Making Competition served as a testament to the creativity and ingenuity thriving within the student community of Tripura. It provided a platform for participants to showcase their talents, fostering a culture of artistic expression and camaraderie. As the curtains draw on this remarkable event, we extend our heartfelt congratulations to all participants and winners, whose contributions have enriched the fabric of collegiate life with their unique perspectives and narratives.
