Report on Orientation programme for 1st Semester Students

Organised by

Department of Botany, Zoology and Human Physiology

Date: 5th, 6th, 8th and 12th of September 2023

The beginning days of the life of new students that called fresher's in the College are very much exciting and full of enthusiasm. Lots of questions and queries spinning around in their mind that need to be addressed in a scientific and professional manner. Holy Cross College, Agartala, organises an orientation programme for the fresher's to make the students more familiar with the new environment and resolve their issues.

As part of that, a day four day long Orientation programme was organised for the students of the first semester of the Department of Botany, Zoology and Human Physiology in the Campus of Holy Cross College, Agartala. The objectives of the programme was to make the students familiar about the curriculum, different facilities available for their academic activities and also the rules to be followed by them while availing those.

First day of the orientation programme (05/09/2023) was started at 10.00 am at College Auditorium. The inaugural session started with lightning the lamp by Respected Principal Father, Vice-Principal Father and Academic Coordinator along with two Freshers. Then a prayer song sung by Sr. Jolly followed by welcome speech addressed by Father Principal. After that a short video was played introducing Holy Cross College followed by kind words of Father Vice-Principal. Then all the Faculty members of all the departments of the College were introduced to new students by Dr. Maumita Dey. Later on a speech was given by Dr. Rumki Nath Sen regarding the opportunities and facilities available in the College for the students. The inaugural session was concluded with vote of thanks given by Dr. Dipanwita Chowdhury Sil. A short break for lunch was scheduled and an Ice-Breaking session was organised which was hosted by Madam Sangita Chakraborty accompanied by all the HoDs of sciences departments.

Second day of the orientation programme (06/09/2023) started at 9.00 am in room number F1-8. The first session was conducted by NEP-2020 Implementation Committee. An introduction on NEP-2020 was given by Dr. Somnath Kar followed by Dr. Susmita Saha. Then the session was taken over by Madam Sangita Chakraborty to introduce about NCC and NSS. A short break for lunch was scheduled and the departmental orientation started at 1.00 pm. The students were instructed to seat in the Boys Common Room. The session started in presence of all the HoDs from Botany, Zoology and Human Physiology respectively with a brief discussion about all the departments. Later on, students were requested to introduced themselves one by one along with a brief interaction. The session ended for the day.
