WORLD DRUG DAY-2024

A MESSAGE

WHAT CAN YOU DO TO PREVENT ADDICTION

As a PARENT

- Be careful, your child can also be trapped in addiction.
- Love alone is not enough, be a friend to your child.
- Keep an eye on your children.
- Communicate with your child and share his problem.
- Motivate your child always to do good work.
- Appreciate the aspirations of your child.
- Know your child's friend and their activities.
- Be true counsellor to your child.
- Do not over react to your child's mistakes.
- Inform your child about ill effects of addiction.
- Keep track of the prescribed drugs at your home.
- Set an example by not abusing alcohol or drug, yourself.

As a TEACHER

- Communicate openly with your students. Discuss the dangers of drug abuse. Point out the consequences.
- Keep yourself interested in your students interest and activities.
- Encourage them to talk about any incidence of drug abuse.
- Share experiences. Talk about the problems of adolescence. Guide your students how to handle them.
- Help them examine career options, set goals.
- Help your students chart out fulfilling happy lives.
- Learn as much as you can about drugs beforehand to enable tackle the situation.

Issued in public interest by Tripura State Forensic Science Laboratory
Narsingarh (PTA Complex), West Tripura.

05/07/2024

An awareness programme on drug abuse community outreach program was conducted by Department of Human Physiology, Holy Cross College, Agartala on 26.06.24 to commemorate the World Drug Day conducted in the Sipahipara Village, Jubatara, Lembuchhera as part of community outreach programme. All 2nd semester (Core) students from the department attended the programme. Dr. Susmita Saha, Assistant Professor and HoD of the department along with other faculty members and lab technician was also present in the programme. The students were distributed pamphlets to the villagers and explained about how they can keep their children away from drugs and explain the role and duties as a guardian and parents. The pamphlets on drug abuse were provided by Tripura State Forensic Science Laboratory, Tripura. After sharing pamphlets in Sipahipara Village, the students are visited to the local market and distributed the pamphlets. After that, students are gone to Andre block of our college and visited all the department like BBA, B. Com and other departments and distributed the same. Students are also visited to other departments of main campus of the College and share the insights of the campaign. With that the programme was concluded.

The Report is Prepared by

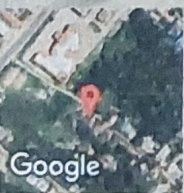

Rohan Roy
2nd Semester Student
Human Physiology (Major)
