Report on

“Special Lecture by International Repute on Career Guidance”

Date of Event: 12th November 2024

Place: Holy Cross College, Jubatara, Tripura(W)

No. of participants: 48

Venue: Seminar Hall (G-8)

Time: 2 PM

Department of Human Physiology, Holy Cross College, Agartala, conducted a "Special Lecture by International Repute on Career Guidance" on November 12th, 2024. The session aimed to provide participants with a comprehensive understanding of the importance of smart planning to achieve success in their careers. The resource person of this interactive session was Dr. Sushanta Deb, a Visiting Research Scholar at Washington State University (WSU), Pullman Campus, USA. A total of 48 students have participated in the interaction program.

The program was chaired by the Head, Dept. of Human Physiology, Holy Cross College, Agartala Dr. Susmita Saha. The program started with welcoming the participants and introduction of the session by Dr. Sandeep Roy Sarkar. Next, there was a welcome address and facilitation of the resource person by the head of the host department, followed by the introduction of the resource person, Dr. Ashish Kumar Singha. Being an expert, Dr. Deb introduced his research journey very swiftly to the students and also discussed various scopes in the country and abroad. He placed more stress on skill education (both technical and non-technical) to excel in anyone's career. With wonderful slides, he made it clear to the students that they should build themselves to face any kind of challenges and grow. He also discussed the scope of wildlife biologists, environmental biologists, and entrepreneurs in his lecture.

The interactive session received positive feedback from students and undoubtedly will be beneficial in their career path. Finally, Mr. Kanak Chakraborty, Assistant Professor, Department of Human Physiology, Holy Cross College, Agartala, proposed a vote of thanks, and the event concluded with a formal remark by the head of the host department.

The report is prepared by
Mr. Kanak Chakraborty
