Dear Madam,

We are pleased to extend an invitation to your department to provide a lecture on " Origin, Growth and importance of Trade Union" as part of our cross-departmental collaborative teaching and learning project. Second and forth semester History Honours students who are interested in developing a thorough understanding of this important historical process will attend the lecture. This programme would greatly benefit from your department's expertise and knowledge in the area of " Origin, Growth and importance of Trade Union." We are convinced that your ideas will aid in our students' knowledge of the factors that led to the beginning of this process, its ramifications, and how it affected contemporary society. Students of History need to comprehend the processes and patterns of Origin, Growth and importance of Trade Union.

We are honored to have Mr. Genesis Debbarma Sir as the speaker to deliver the lecture and we are confident that your contribution would make this initiative a great success.

Subject-Seeking permission to organize two interdepartmental collaborative teaching learning activity.

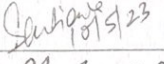

Respected Father,

I am writing to request your permission to organize two (2) interdepartmental collaborative teaching learning special lectures at our college for the Department of History in the Even Semester 2023. One of the main advantages of interdepartmental collaborative teaching and learning is that it can assist students in understanding the connections between various courses. They may be able to think more deeply about complicated issues that call for a multidisciplinary approach as a result of developing a more integrated understanding of the world.

Interdepartmental collaborative teaching and learning also has the advantage of enabling teachers to expand their own skill sets and knowledge. Teachers can learn new teaching techniques, gain insights into various disciplinary viewpoints, and build a greater grasp of how various subjects relate to one another by working with colleagues from various departments.

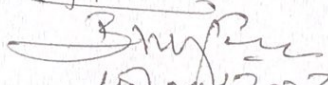

We intend to set up a cooperative teaching arrangement, including the Sociology and Business Administration department. To avoid interfering with the regular teaching schedule, the schedule will be carefully designed. We are confident that this cross-departmental effort would benefit our college, and we would really appreciate your permission to move forward. We promise to plan these two events effectively and professionally, and we'll do all it takes to make sure everything goes according to plan.

Father, you would be pleased to know that for these collaborative sessions the Department of History has taken prior consent from both the heads of the Department of Sociology and the Department of Business Administration.
