National Webinar on
“Recent Trends in Physiology and Physiological Techniques”
25th November, 2020

Department of Human Physiology, Holy Cross College was successfully conducted an online National webinar on “Recent Trends in Physiology and Physiological Techniques” on 25th November, 2020 at 11.30am. In this webinar 2 resource persons delivered their lecture which were very much relevant for that pandemic situation. Approximately, 100 participants participated in the webinar. The first resource person was Dr. Anirban Chakraborty, Director, NITTE University Centre for Science Education and Research, Mangaluru, Karnataka. He delivered his lecture on Liquid Biopsy, that was very interesting too. The second resource person was Prof. (Dr.) Samir Kumar Sil, Department of Human Physiology, Tripura University, Tripura, India. He delivered his lecture on pathophysiology of Covid 19. Overall, the whole session was very informative.
