

REPORT ON CAMPUS BAZAR

DATE- 19th May 2023

TIME – 10:00 A.M.

VENUE- HOLY CROSS COLLEGE, JUBATARA CAMPUS.

INTRODUCTION

The Department of Commerce, Holy Cross College organized a enterprenurial skill development program called campus bazar on 19th May 2023 which gave opportunities to the students of Holy Cross College to sell different kind of products and earn a profit. The stalls were set up in the hall of the 3rd floor of the HolyCross College building. And only the college students, Professors, invited

guests and other staffs of the college interacted with each other and made the event a successful one.

THE EVENT

The event started around 10:00 am with the lighting of lamp by the principal of the college, Dr. Fr Benny .K John ,CSC, the invited guests and the head of the department of Commerce. There were altogether 27 stalls , selling different products like – garments , accessories, plants, painting, handicrafts and foods of different varieties- Biriyani, pastries, kebabs, packaged foods like pickles, tea leaves, dried mangoes, dried goose berries and much more. However students from all the departments of the college had put up at least one stall. The Department of Teacher Education had put up two stalls named “Crave More” selling different handmade items like – wall hanging, hand bag’s, mirror work, painting, Bottle art, and ethnic food stall selling steamed rice, Naga style pork curry, Bamboo shoot with Bastenga, Chicken Bharta and cold drinks. The stalls of The Department of Teacher Education made a sell of Rupees 5000 and a profit of around Rupees 1000. The students from both the semester from the departments of Teacher Education participated and

sold their products . The Teacher in charge of the event from the department was Dr. Biswarupa Datta .

CONCLUSION

The event was a grand success. The event came to an end at around 01:30 P.M. The event gave the students an opportunity to enhance their creative potential and learn about marketing skills and earn a profit from the sell of different handmade products. The program gave each student some encouragement and boost of confidence.
