Subject: Probation Period and Assignment Submission Guidelines

Dear Students,

We would like to inform you of the following important details regarding your upcoming classes and assignments:

1. Probation Period:

- The first month, starting from yesterday, will be treated as a probation period for all students. During this time, the performance and suitability of each student will be assessed.
- If classes are conducted in a blended mode (online and offline), this probation period may be extended for an additional two weeks.
- The Department will conduct class tests, assignments, and presentations either during or after the probation period. It is mandatory for all students to participate in these activities without fail.
- In case a student is unable to attend, they must submit an application clearly stating the reason for their absence, duly signed by their parent.

2. Assignment 1:

- All students are required to submit a handwritten assignment of four pages (excluding the Cover page) on the topic of their family history.
- Avoid any kind of plastic garnishing on the assignment. The Cover page should also be handwritten.
- The last date for submission is 22nd July 2024, Monday, by 3:30 PM at the G-2 Staff Room.
- No submissions will be accepted after the deadline.

Please ensure that you adhere to these guidelines and complete the required tasks diligently.

Thank you for your cooperation.

Warm regards,
