Educational Tour Report: Visit to Unakoti Heritage Site

On 25th January 2025, the Department of History, Holy Cross College, Agartala, organized an educational tour to the renowned Unakoti Heritage Site, situated in Uttar Unakuti R.F., Tripura. This heritage visit was a valuable initiative to offer experiential learning to the students, with a total of 48 participants, including faculty members and students from the History Department. The primary aim of the tour was to foster an understanding of the region's rich historical and cultural heritage.

The site, located at 8388+QQR, Dharmanagar - Kailashahar Road, is celebrated for its magnificent rock-cut sculptures and ancient carvings, believed to date back to the 8th or 9th century. This UNESCO tentative list heritage site provided the participants with an immersive experience of India's glorious past. The educational tour began with an introduction by the accompanying faculty, who outlined the historical significance of Unakoti, often referred to as the "Land of One Less than a Crore," showcasing its connection to Shaivite tradition.

Participants explored the monumental rock carvings of Lord Shiva, including the towering Unakotishwar Kal Bhairava sculpture, intricate depictions of Ganesha, Durga on her lion, and other mythological motifs. Faculty members guided students through the site, offering detailed insights into the symbolism, artistry, and archaeological relevance of these extraordinary works. Students also engaged in lively discussions, sharing reflections and learning about the challenges of conservation and preservation of historical heritage in the modern era.

The tour was a resounding success, providing an invaluable on-site learning experience while promoting the importance of preserving historical treasures. It was a testament to the Department's commitment to innovative and holistic approaches to history education, ensuring the students gained both theoretical knowledge and practical exposure.
