On August 19th, 2020, the Department of Botany, Holy Cross College organizes “Parent-Teacher Meet” that serves as a connection platform for parents, teachers and the students, where teacher and parents come together to enrich the student’s educational experiences and discussed variety of issues, regarding all round development of students. The meeting is organized in such a way that parents have a chance of one-to-one interaction with the teachers before the Semester End Exams. It aims at bridging the gap between parents, students and teachers, keeping parents inform about their wards performance and progress, discussed the causes behind the student behaviour and performance. This enables the parents to know about the areas of improvements of their ward, so that they make him/her work towards improvement in the courses required. This meeting provided a platform where the parents and teachers also got to know about each individual personally, so that they can plan accordingly for better results and growth of our students. Overall, it is a platform for sharing the suggestions that helps in improving our students’ progress.

A parents-teachers' meeting was held online on 24th June, 2021 for 2nd, 4th and 6th semester students of Botany Honours through Google meet from 5.00 PM onwards. Parents were informed prior regarding the meeting. Total 43 students' parents/guardian joined the meet for First year. Meeting started with power point presentation. Parents were informed about the University internal eligibility criteria as well as passing criteria, the importance of online attendance for the same and overall progression of the class and their performance in 1st internal exam. Following that, one to one interaction started at 5:45 PM using the same platform. Total 21 parents joined one to one interaction with the Faculties to discuss their ward's individual progress. Most of the parents asked about their ward's study progression and how they can improve more for upcoming exams. They were asked to advise their ward to work harder for next exam and college will also help them preparing better for future by giving regular assignments, solving doubts, SLSS (student learning support system) program. Few parents discussed attendance issues due to medical reason, specially those who suffered from COVID19. They were informed about attendance criterion that includes medical leave. Many parents were inquiring about the covid situation in campus and about starting the offline sessions. They were informed that decision will be taken by the College authority according to the government guidelines and students will be informed about that. Few parents were asking about tentative dates for university
