**Report on the Special Lecture: "Legacy of Gandhi: Martyrdom, Memory, and
Meaning"**

The Department of History, Holy Cross College, Agartala, in collaboration with the Internal Quality Assurance Cell (I.Q.A.C.) and the NDLI Club of Holy Cross College, Agartala, successfully organised a distinguished special lecture titled "*Legacy of Gandhi: Martyrdom, Memory, and Meaning*" on 30th January 2025, marking the solemn occasion of Mahatma Gandhi's martyrdom anniversary. The event commenced at 11:00 a.m. in G-08, Smart Classroom, with an audience comprising 78 students and faculty members.

The keynote speaker for the session was **Dr. Monisankar Misra**, Head of the Department of History, at Tripura University, whose erudite discourse offered deep insights into the philosophical and historical significance of Gandhi's legacy. Dr. Misra eloquently contextualised Gandhi's martyrdom within the broader framework of India's struggle for independence, emphasising how his assassination on 30th January 1948 not only marked the tragic culmination of his lifelong pursuit of non-violence but also symbolised the resilience of his ideals in contemporary socio-political discourse.

The lecture delved into the **memory and historiography of Gandhi**, critically analysing how various narratives have shaped perceptions of his life, death, and enduring influence. Dr. Misra underscored Gandhi's unwavering commitment to truth (*satyagraha*), non-violence (*ahimsa*), and social justice, highlighting their relevance in modern democratic governance and conflict resolution. He further engaged the audience by reflecting on the **institutionalisation of Gandhi's legacy**, discussing how his thoughts continue to guide movements advocating peace and equality.

The session concluded with an engaging interactive discussion, where students and faculty members posed thought-provoking questions, leading to a meaningful exchange of ideas. The event was a resounding success, leaving the attendees with a profound understanding of Gandhi's martyrdom and its implications for contemporary India.
