**Report on**

**“Student Workshop cum Exhibition on Healthy and Hygiene”**

Date of Event: 13<sup>th</sup> December 2024  
Place: Holy Cross College, Jubatara, Tripura(W)  
No. of groups participated: 1<sup>st</sup> Semester-12, 3<sup>rd</sup> Semester-17  
No. of Students participated: 86  
Venue: Auditorium  
Time: 11:00 AM

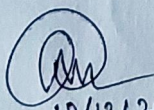

Department of Human Physiology, Holy Cross College, Agartala, organized a "Student workshop cum exhibition on health and hygiene" for undergraduate students on December 13<sup>th</sup>, 2024. In this session, simultaneously, a competitive presentation among 1st-semester student groups (A total of 12 groups) and competitive presentations among 3rd-semester student groups (A total of 11 groups) using prepared charts were evaluated as a part of an activity through the MoU between HCC and BPT. There was also a provision for model presentation by 3rd-semester students in groups (A total of 6 groups).

The special guest cum resource person for the special lecture was Dr. Santanu Mallik, Associate Professor, BPT, Amtali, Tripura (W). The program started with the cutting of the ribbon by a respected resource person of the event accompanied by Dr. Fr. Benny K. John, CSC, Principal of HCC, Agartala, and Dr. Subhashis Debnath, Principal, BPT, Amtali. Dr. Mallik evaluated the charts prepared by the students and gave positive suggestions to improve their presentation near future after a thorough question-answer round at the end of each prepared chart presentation. He also praised and encouraged the students for their outstanding efforts in preparing the charts.

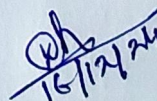

After the lunch break, another resource person, Ms. Debanjana Mukherjee, Head, Dept. of Psychology, HCC, Agartala, evaluated the presentations of 3rd-semester students (both prepared charts and models), and the session ended on a good note.

The exhibition received positive feedback from both the students and guests and will act as a wonderful beginning to the new academic collaboration between the two renowned institutes of the region.

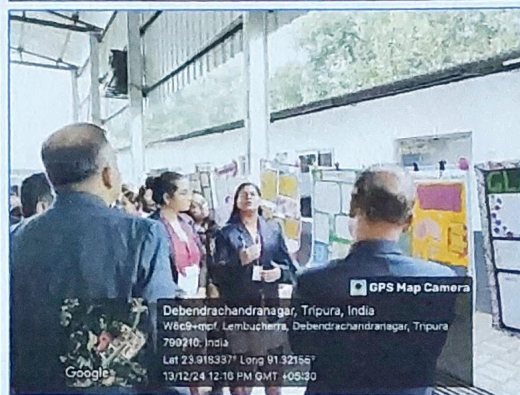

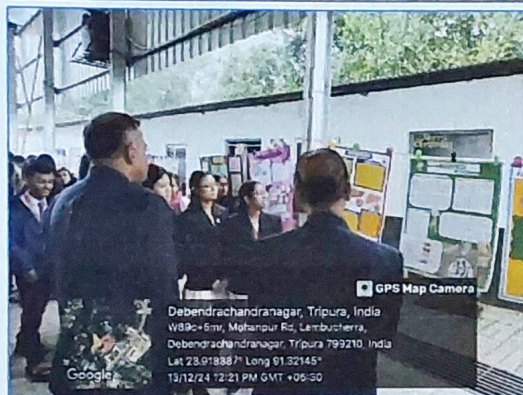

The report is prepared by
