**Subject:** Permission to Observe National Education Day on 11<sup>th</sup> November, 2024

Respected Father,

We, the Department of Education and Department of Teacher Education are planning to jointly organize a program in observance of **National Education Day on November 11, 2024**, to commemorate the birth anniversary of Maulana Abul Kalam Azad, the first education minister of India. This day is observed to honor his contributions in the field of education.

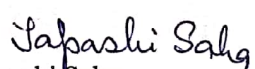

The proposed activities include Essay writing, special talk/Lecture, and poster-making session. Additionally, we plan to **invite a guest speaker from outside** an expert in the field of education to address the students and inspire them with insights on the importance of lifelong learning.

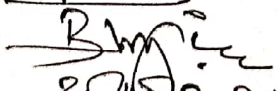

We assure you that all arrangements will be made with minimal disruption to regular classes. We look forward to your approval and support to make this event a success.

Thank you for your consideration.

Sincerely,

## Report on Observation of National Education Day

Organized by: Department of Education and Teacher Education, Holy Cross College, Agartala

Date: November 11, 2024

Venue: Room G-8

Time: 10:00 AM – 3:00 PM

The Department of Education and Teacher Education, Holy Cross College, Agartala, organized a Special Lecture, Essay Writing Competition, and Panel Discussion on November 11, 2024, to observe National Education Day.

### Session I

The first session began with an Essay Writing Competition, which saw the participation of 19 students. The competition focused on two topics:

- Traditional Education vs. Modern Education
- Do Assignments Benefit Students?

Following the essay competition, a Panel Discussion was conducted, involving 52 students. The students were divided into five groups and engaged in discussions on the topic: Reforms of the Educational System. Each group shared their ideas and perspectives, making the session interactive and insightful.

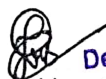

### Session II

The second session featured a Special Lecture delivered by Dr. Silali Banerjee, Associate Professor in the Department of Special Education and Rehabilitation at ICFAI University, Tripura. The lecture was held in Room G-8 from 2:00 PM to 3:00 PM, with a total attendance of 64 students and 11 faculty members.

Dr. Silali Banerjee has over 10 years of experience in various educational institutions across India. Her lecture, titled Education for Differently Abled Children in Today's Scenario, emphasized the importance of inclusive education. She highlighted the challenges parents often face in accepting inclusive education, particularly in a competitive world.

Dr. Banerjee clarified terminologies, encouraging the use of "general" and "special child" instead of the outdated and inappropriate terms "normal" and "abnormal." Her lecture provided valuable insights into creating an inclusive and supportive educational environment for differently abled children.
