

Educational Tour to Book Fair

Venue:- Hapania International Fair Ground, Agartala

Date:- 8th January 2025

Participants:

The tour was attended by a group of **13 students** and **2** faculty members from the department of Mathematics & Statistics, Holy Cross College Agartala.

Purpose:

The primary objective of the tour was to encourage reading habits among students, expose them to a wide range of books, and provide an opportunity to interact with publishers, authors, and book enthusiasts. The fair also served as a platform to explore academic resources, including textbooks, research publications, and other educational materials.

Activities Conducted:

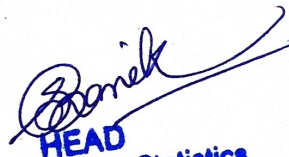

1. Exploration of Stalls: Students visited various book stalls showcasing literature, academic books.
2. Interactive Sessions: Participants attended talks and book launches by renowned authors and publishers.
3. Book Collection: Faculty and students purchased books of academic and general interest to enrich personal libraries and contribute to the department's resource pool.
4. Cultural Events: The team enjoyed cultural performances and exhibitions organized as part of the fair.

Outcome:

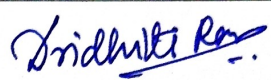

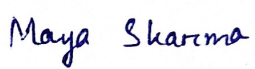

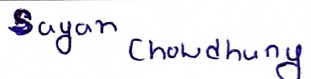

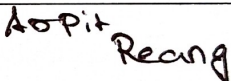

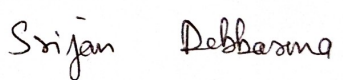

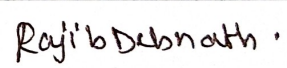

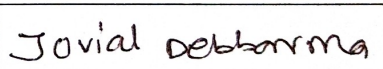

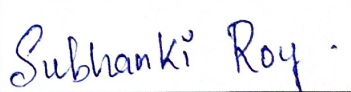

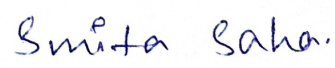

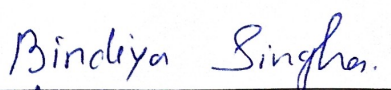

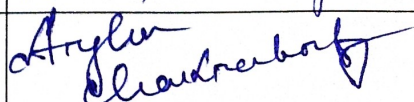

The educational tour successfully met its objectives. Students gained insights into the publishing industry, explored diverse literary works, and enhanced their awareness of current academic trends. The visit inspired students to cultivate a lifelong habit of reading and learning.

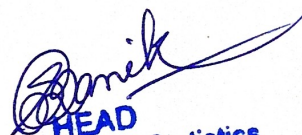

Conclusion:

The educational tour to Agartala Book Fair 2025 was a fruitful and enriching experience for all participants. It not only broadened their intellectual horizons but also fostered a deeper appreciation for literature and knowledge.
