Subject: - Prayer for granting the permission to screen a historical movie on a monthly basis from the upcoming Academic Session of 2023-2024.

Respected Father,

Courteously, we would like to inform you that, the Department of History is planning to start a 'movie screening initiative' for the students of the Department. We already had a lengthy preliminary oral discussion with Madam Academic Coordinator and at the conclusion of the conversation, Madam has consented to provide the F1 - 08, Smart Classroom in the last two periods of the last working Friday of a month, on condition we secure your approval. We also decided to constitute a five (5) ^(Auditorium - alternative) members 'sensor and screening committee', comprising the four faculty members of the Department and a special member nominated by you, Father, to assure that any of the movies, which will be shown to the students would not have any objectional scene in it. We intend to screen, English/Hindi movies based on historical events, historical documentaries, inspirational movies, biographical movies, under the 'departmental movie screening initiative'. We are anticipating further suggestions from your side to further modify/improve the above-mentioned program.

We, therefore humbly requesting you to kindly consider our appeal and grant us the permission to start the 'movie screening initiative' in the department.

Thanking you in anticipation,

Yours faithfully,

Datta
