The Department of Botany organized an interactive session with Mrs. Moushumi Jena, Counselling Psychology Professor at HCC, for the 1st, 3rd, and 5th semesters of the academic year on September 30th, 2020 in Google meet. The program's objective was to educate first-year students at Holy Cross College about the Centre for Counseling Psychology, including its function and significance in the college community. The goal of the session was to assist students in developing their latent potential in order to realize their goals of achieving personal and professional greatness, happiness, and holistic health.
