"Educating hearts and minds"

DEPARTMENT OF HUMAN PHYSIOLOGY

No. F.6/HCC/HP/2023/01

Date: 18.04.2023

To

The Principal
Holy Cross College, Agartala

Rev. Father,

We are glad to inform you that Dept. of Human Physiology is willing to create and publish an 'annual wall-magazine' as per the 'Compliance Report on the suggestions made by the inspection committee, CDC, TU' submitted to the Tripura University, dated: 29.07.2022. This will be designed and maintained by the Human Physiology students themselves. All the students and faculties are unanimously proposing the name of our departmental wall magazine as "**PHYSIOVERSE**". We will use one of our class rooms to paste all these contents. Later on, we are also planning to publish these contents as a 'Departmental Magazine' in soft copy for circulation. This will improve our student's thinking capability and creativity and also students will be able to learn research related scientific knowledge.

May we request your kind permission in the matters as discussed above.

Yours faithfully-

18.04.2023

(Dr. Sandeep Roy Sarkar)
HoD, Human Physiology

DEPARTMENT OF HUMAN PHYSIOLOGY

STUDENTS' WORKSHOP CUM EXHIBITION

Date: 19th July, 2023

Place: Department of Human Physiology, Holy Cross College (Room No. F2-1)

No. of participants: 83 nos.

Department of Human Physiology, Holy Cross College, Agartala has organized a "Students' Workshop cum Exhibition" for all the Human Physiology Honours students on 19th July, 2023. All the honours students of Human Physiology Dept. (83 nos.) were present. For this exhibition, students prepared various models and posters on scientific topic. Initially, all the Human Physiology Honours students were divided into various groups and different topics were distributed among each group. The 2nd Semester honours students were prepared different models based on human body organ and tissues and macromolecules. The 4th and 6th semester students were prepared wall magazine/poster based on assigned research topic. On the day of exhibition students were informed to display their model and poster into the respective venue i.e., F2-1 (Biochemistry Practical Laboratory). Teachers and students of various departments visited the exhibition. Different questions were asked and explanations were given by students of respective groups. After the events, the appreciation certificates were distributed to all the participants. The workshop come to an end with the vote of thanks given by HoD, Dr. Sandeep Roy Sarkar. Overall, it was just a skill-based workshop cum exhibition and all the students were participated actively.
