

NOTICE

**Department of Sociology
Assignment
Academic Year 2024-25 (Odd Semester)**

This is to inform all First Semester students of Sociology Honours that you are required to submit an assignment for Paper-1(SC-101C): Basic Concepts of Sociology. The topic is "Discuss the different types of dissociative processes, with examples. In your opinion, do these dissociative processes obstruct individuals' ability to form and maintain meaningful social relationships within their communities? The assignment is of 20 marks. The assignment should include:

1. Explain the different types of dissociative processes with examples
2. Give your opinion on whether the dissociative processes obstruct individuals' ability to form and maintain meaningful social relationships within their communities

The purpose of this assignment is to help the students explore the different modes of interaction that take place in our daily lives and examine how they impact our social relationships. The last date for submission is **28th October, 2024**.
