Report on Celebration of International Women's Day, 2023

On 8th March 2023 the Department of Political Science, Holy Cross College had celebrated the International Women's Day, 2023 by making a wall poster based on the global theme of the year, "Embrace Equity". The main motive was to encourage women embrace their value and to strive for gaining equity in society. On this occasion photos of all female staff in the college (teaching & non-teaching) were taken and a collage of these pictures were put up in accordance to the theme as a poster in the college lobby. This activity was thoroughly enjoyed by the female members of the college and instilled in them a huge sense of pride on their woman hood. Hence the activity was a great success.
