Departmental Orientation Program - B.Sc. (Computer Science) 2023-24 Batch
Date: September 6th and 8th, 2023
Venue: Department of Computer Science, Holy Cross College, Agartala

---

The Department of Computer Science at Holy Cross College organized a two-day orientation program for the incoming batch of B.Sc. (Computer Science) students for the academic year 2023-24. The program aimed to provide an insightful overview of the course, the National Education Policy (NEP) syllabus, college infrastructure, lab facilities, course registration, credit distribution, and examination pattern.

Day 1: September 6th, 2023

Session 1: Overview and Scope of the Course(13:00 – 14:00 hrs)

The program commenced on September 6th with an engaging session by Mr. Jyotirmoy Sil Sharma. Mr. Jyotirmoy Sil Sharma provided students with a comprehensive understanding of the B.Sc. (Computer Science) course, its scope, and the various career opportunities it opens up. He highlighted the ever-evolving nature of the field and the importance of staying updated with the latest trends and technologies in computer science.

Session 2: Overview of the NEP Syllabus for B.Sc. Comp. Sci.(14:00 – 15:00 hrs)

In the afternoon session, Ms. Mandrita Saha delved into the new National Education Policy (NEP) syllabus for B.Sc. Computer Science. She explained the curriculum structure, subject-wise distribution, and the rationale behind the changes. Students gained clarity on what to expect in terms of course content and how it aligns with the evolving industry requirements.

Day 2: September 8th, 2023

Session 1: College Infrastructure and Lab Facilities, Demonstration of TU Course Registration Process(13:00 – 14:00 hrs)

On the second day of the orientation program, Ms. Mandrita Saha returned to lead the morning session. She provided an in-depth tour of the department's state-of-the-art infrastructure and the well-equipped computer labs available for students. Moreover, she conducted a live demonstration of the Tripura University course registration process, ensuring that students were well-prepared to navigate the system effectively.

Session 2: Course Selection, Credit Distribution, Examination Pattern(14:00 – 15:00 hrs)

The program concluded with a session conducted by Mr. Jyotirmoy Sil Sharma. He guided students through the process of course selection, emphasizing the importance of selecting subjects that align with their interests and career goals. He also explained the credit distribution and the examination pattern, clarifying doubts and concerns students may have had regarding their assessment methods.

Summary

Throughout the two days, students actively participated in Q&A sessions, allowing them to seek clarification on various aspects of their academic journey. The orientation program successfully achieved its objective of familiarizing the incoming batch with the course, NEP syllabus, college facilities, and academic processes, thereby ensuring a smooth transition into their B.Sc. (Computer Science) program at Holy Cross College, Agartala.

The Department of Computer Science looks forward to supporting and nurturing these students as they embark on their academic journey, equipping them with the knowledge and skills needed to excel in the dynamic field of computer science.
