DEPARTMENT OF BOTANY

REPORT ON Field Visit to the Oxygen Park, Agartala, Tripura Held On 27.07.2023

ORGANISED BY

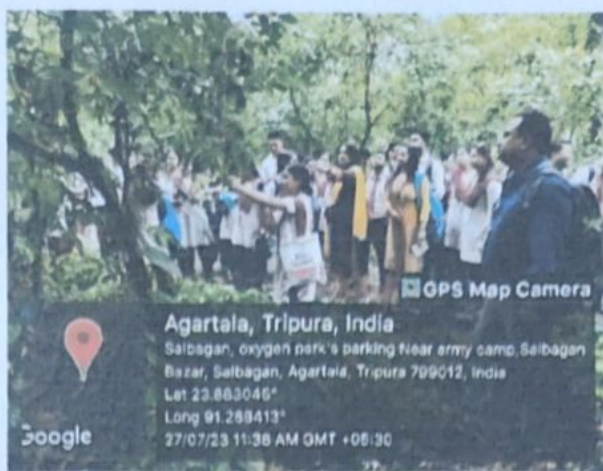

Department Of Botany, Holy Cross College, Agartala

The field visit to the Oxygen Park, Agartala, Tripura, was organized by the Department of Botany, Holy Cross College, Agartala for the 4th Semester Botany (Honours and General) students to enhance their practical understanding of plant biology and ecosystems, as well as to explore the unique features of the Oxygen Park. Total 73 students along with 4 faculty members and 1 lab assistant visited the park on 27th July, 2023. The Oxygen Park houses a diverse collection of plant species known for their significant contributions to oxygen generation.

The field visit proved to be highly educational and beneficial for the students. It bridged the gap between theoretical knowledge gained in classrooms and real-world applications. The hands-on experience provided a deeper appreciation for the role of plants in maintaining ecological balance and sustaining life. The Oxygen Park field visit was a resounding success, fostering a holistic learning experience. It not only contributed to their academic knowledge but also instilled a sense of responsibility towards environmental conservation. Such field trips are invaluable in nurturing a generation of environmentally conscious individuals.

Subject: Permission for an educational tour cum excursion to Oxygen Park, Salbagan.

Respected Father,

With due respect I would like to inform you that the Botany Department is going to organize a Field trip to Oxygen Park, Salbagan on 27th July 2023 for 4th semester Botany Honours and General students (85 students). This would be an educational trip as well as an excursion, making it an opportunity for the students to attain knowledge and real-time exposure. So, we need your permission as it is a compulsory part of Botany Honours and General Students. May I also request to provide transport facility for students and faculties.

So, I pray and hope that you will be kind enough to grant the permission.

Thanking you,

With regards,

Yours faithfully,

Dr. Dipanwita Chaudhuri's
