PROGRAMME REPORT

'The Swachhata Pakhwada Special Campaign 3.0'

Organized by : Department of Teacher Education, Holy Cross College.

Place: Durjoynagar, Agartala, West Tripura, India.

Date: 13.10.2023

Under the Eastern Regional Committee (ERC) TEID Special Campaign 3.0 - The Swachhata Pakhwada and this Swachhata Pakhwada program was organized at Holy Cross College, Dept. of Teacher Education, Durjoynagar, on 13.10.2023. The objective of this initiative was to promote cleanliness and hygiene, in line with the government's efforts to institutionalize transparency across the country. The program aimed to create awareness and engage our campus community in activities that foster cleanliness, personal hygiene, and environmental responsibility. As part of our efforts to promote cleanliness and hygiene, a poster campaign was initiated across the campus. Various informative and motivational posters were strategically placed in common areas to remind students, faculty, and staff of the importance of cleanliness. These posters served as a constant visual reminder to maintain a clean and hygienic environment.

To actively engage in the cleanup process, a dust collection drive was conducted. Participants were provided with baskets and brooms to collect dust and litter from designated areas of the campus. This hands-on approach encouraged everyone to take an active role in maintaining the cleanliness of our surroundings. All the students and teachers actively took part in the Programme.

An oath ceremony was also organized where all members of our campus community, including students, Teachers, and staff, pledged their commitment to keeping the campus clean. During this ceremony, participants took an oath to not litter and to discourage others from littering. The ceremony instilled a sense of responsibility among individuals to uphold cleanliness standards.

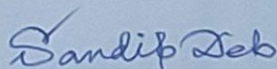

The poster campaign and the oath ceremony played a crucial role in raising awareness and fostering a sense of responsibility among the participants. As a result, the campus is noticeably cleaner, and incidents of littering have significantly reduced. The dust collection drive encouraged active participation, making individuals more directly involved in maintaining the campus's cleanliness. This hands-on approach instilled a sense of ownership and accountability.

Our institution remains committed to supporting the national objective of transparency and cleanliness as advocated by the Government of India.

We express our gratitude for entrusting us with this programme. The photos of this Swachhata Pakhwada 3.0 drive has been uploaded to Twitter (Tag: MOE & NCTE) by the program in-charge Dr. Sandip Deb, Assistant Professor, FOE.

We eagerly await further opportunities to participate in initiatives that support these noble objectives.

Pledge for Swachhata
Pakhwada Special
Campaign 3.0

I (say your name) promise that neither will litter around or let others litter. I will initiate the quest for cleanliness with my self, my family, my locality, village and my study place or work place. I will be vigilant towards cleanliness and devote a lot of time for the same.
