About us

Holy Cross College is a private English medium institution of higher learning, established by the Holy Cross Education Foundation. The college became the first College in Tripura to be accredited with 'A+' Grade by National Assessment and Accreditation Council (NAAC). We are committed to ensure that both formation and transformation are earnestly framed and focused. It was the goal that the Blessed Basil Antony Mary Moreau, the founder of the Holy Cross Congregation, had in mind when he used the phrase "Educating Heart and Mind" hundreds of years ago. Here, as a family of Holy Cross, our goal is to protect and guarantee that the founder's vision is realised.
