Report on Special Classes of Mathematics

As per the notice dated 16.02.2024 special classes of Mathematics for the First Semester students of BA Economics have been organized. These classes were taken by Dr. Susanta Banik, Assistant Professor and Head of the Department of Mathematics & Statistics, Holy Cross College Agartala.

Firstly, I, Sukanya Sen, Assistant Professor and Head of the Department of Economics, Holy Cross College Agartala would like to heartily thank you to Sir Susanta Banik for sharing his excellent knowledge with our students that too by managing time from his busy schedule.

Outcome of these classes is very fruitful as students are now having at least minimum basic ideas regarding differential calculus, though these few classes are not enough for detailed understanding of mathematical concepts. So, in future students will be in need of again like this kind of special classes.
