

## ACTIVITY REPORT

Visit to Book fair stall by the B. Ed ( Dept. of Teacher Education) students of Holy Cross college.

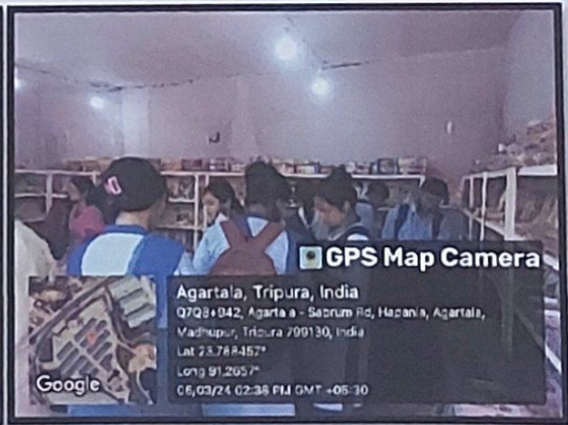

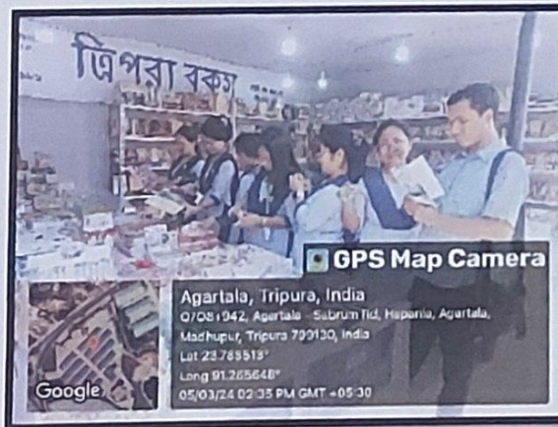

Venue : Hapania international fair ground, Agartala, West Tripura.

Date : 05.03.2024

On 5th March, 2024 around 01:30 PM the department of Teacher Education of 4th semester from the Holy Cross College, Agartala had the opportunity to visit the book fair stall which is located at Hapania, Agartala-West Tripura. The purpose of the visit was to provide the students with exposure to a diverse range of educational materials and resources available in the Book fair stall.

The variety of books available at the fare was simply amazing. The book fare provided us the opportunity to interact with many educationalist and authors.

The theme of the book fare was based on "Bhavya Bharat". This book fare was a delightful experience for all of us especially for all the book lovers who attended it. The venue was inviting, the variety of books was amazing. Overall the visit of the book fare stall provided to be a valuable learning experience for all the B. Ed students as it enhanced the understanding of available educational resources & application in the teaching learning process.

**Activity : Field Trips at Khowai, Tripura.**

Field trips can be important for a variety of reasons, including:

**Real-world learning:** Field trips can help students see how classroom learning can be applied to real-world situations.

**Cultural awareness:** Field trips can help students learn about different cultures, historical contexts, and societal perspectives.

**Critical thinking:** Field trips can help students develop critical thinking skills by presenting them with real-world challenges and opportunities for problem-solving.

**Empathy and tolerance:** Field trips can help students become more empathetic and tolerant.

**Engagement:** Field trips can make learning more engaging by breaking up the monotony of the classroom.

**Enthusiasm:** Field trips can help students create enthusiasm for a subject or field of study.

**Socio-emotional growth:** Field trips can help students feel smart and confident, and broaden their community.
